CEBIB staff and postgraduate student interact with prospective clients during the University of Nairobi Open Day held at the Great Court on 28th - 30th April 2016. The event's theme was "Quality and Innovative Education to Sustain Industrial Growth."

The platform enabled the public to sample products, services and opportunities at CEBIB and other Units in the University.

Visitors to the Centre's exhibition stand had the opportunity to acquaint themselves with the Centre's mandate, career prospects for Biotechnology and Bioinformatics graduands.

Based on the exhibitors' observations, interviews and participants' views and opinions, it is worth noting that the participants were impressed and anticipated for such forums which exemplify the

University of Nairobi as the core of quality and innovative education to sustain industrial growth.
