NOTICE

PhD/Msc Research Proposal Presentations Seminar

- * DATE: Wednesday, April 12, 2016
- * TIME: 10:00 am - 12:00pm.
- * VENUE: CEBIB Lecture Room

PhD(Biotechnology)

Establish Technology for Integration of Mushroom Cultivation with Production of High Value Bioproducts Using Fruit Processing and Post Harvest Wastes.

Supervisors: Prof. Francis Mulaa¹, Dr. George Obiero¹, Prof. Jacob Midiwo¹, Dr. Moses Makayoto²

By OJWANG Daniel Otieno

MSc(Biotechnology)

Comparison of Reverse-Transcriptase Polymerase Chain Reaction (RT-PCR), Rapid Immunodiagnostic Test (RIDT) and Fluorescence Antibody Test (FAT) for Detecting Rabies Viruses Circulating in Mali.

Supervisors: Dr. George Obiero¹, Dr. Gabriel Aboge¹, Dr. Abdalla Traoré³

By MOUNIROU Camara

Metagenomic Analysis of Groundnut RNA Viruses in Western Kenya

Supervisors: Dr. Rachel Ikawa¹, Dr. Damaris Odeny⁴

By OBONYO Dennis Otieno

Phenotyping and Antimicrobial Resistance of *Escherichia coli* in Milk for Human consumption in Isiolo County.

Supervisors: Dr. George Obiero¹, Dr. Gabriel Aboge¹, Dr. Bernard Bett⁵

By NGAYWA Catherine Anne

¹University of Nairobi, ²Kenya Industrial Research Development Institute, ³Central Veterinary Laboratory-Mali, ⁴International Crops Research Institute for Semi-Arid Tropics, ⁵International Livestock Research Institute
